In New York city a woman was having visions of Jesus and Mary and they would tell her many things. There were lots of followers including myself. It was all lies. They are very tricky or smart. Her name <sup>was</sup> Veronica ~~hookin~~. VERONICA is backward. A. C. I N RO (RED) VE (VICTORY). LU (Lucifer) KIN or K2(Y) N(end). The name of the organization is Our Lady of the Rose Shrine. Our Lady supposedly gave a Mexican Indian some yellow ROSES in WINT'ER at GUADALUPE. The priests say Our Lord was on the cross from 12:00 to 3:00. The Bible says from 3:00 to 9:00. That's 6 hours. Twice the pain. St Luke is the only Evangelist that says there's a good thief on the cross next to Jesus. They the Anti Christ used him because they could do this with his name. Lu K2(Y). The Anti Christ has been around since St Paul's time. They can change the Bible. The thief's name was DISMAS. DI MASS. The Christian mass. The continual sacrifice that is being, well read the prophet Daniel. The Mass has been shortened by 50% or more and the singing increased. All the apparitions by Mary and ~~devotions to Her~~ <sup>that's GOOD TO Her</sup> Mary leads me to wonder is this to make the Protestants reject Catholics. INDULGE - INDULGENCES. Indulge means to feast, pig out. Indulgences mean prayers to shorten a persons stay in Purgatory. Where in the Bible does Jesus or anyone say there is such a place. You know what Indulgences did to Christianity. Protestants come back to Rome + Catholics understand what has happened. St Theresa, the little Flower, <sup>of LI-50. spelled wrong.</sup> has always the Roses in her pictures. She said its OK to stuff off on one's prayer life! That's the death sentence. The Mass held Satan from entering so many. NELSON foods here in Albert Lea sold out to RAINBOW foods. NELSON = NEV: SON. This is for my brother John who goes with a woman named Ja (yes) co (coup) B son. I don't see how though the Protestants could reject the Mass and all the sacraments. I think its the Episcopal Church that has a mass and the priest wears vestments. I went to one accidentally once and the women were showing me how to follow in the book, & could tell they were snickering underneath.

NEW OR LEANS. Trench.

I heard what the Priest said about why they say Jesus was on the cross three hours but I forgot. Jesus in the Bible says like beware of philosophers! God says in the Bible He or the Jews should give it to them double. Double punishment. Now regarding the 3 or 6 hours on the cross; its double punishment for God. My enemies, well & mentioned a girl in a short dress read from the Bible one Sunday. Well last Sunday she got in front of me as I walked out of Church. She had a short dress on & a lady about 60 years old gave out Communion with a short dress on too and she got right in front of me. I was in the front of Church. They doubled my punishment. I & write their case along by Dickerson + v store in pick up with loud exhaust and every. I sit down to write or get up out of bed or go to the bathroom they go by, they will do it all. They are doing this now. They know & know its them because all those years I lived in the truck stops they would have one come in and wake me up. Of course now that I write this they might quit. They do it to let me know they are or know, what I'm doing. My son is or was a Baptist and I showed him a Crucifix and he said Jesus wasn't nailed to the cross. He was tied. He was about 11 years old then. His Pastor was Eddie DURAKA. He believed the pastor Albert Lee Sunday, Palm Sunday, the organist and some more song the prayer before Holy Communion, Agnus Dei in English? or another? The song or melody was "Camptown Reece." OH DU DA DAY. = OH DO A.D. DAY. Father Schneider reads from the Gospel like he is reading a fairy tale. Ask the parishioners! They have a pamphlet for children called the Good News weekly that has pictures of Jesus like a cartoon character, funny looking Jesus and Palm Sunday they have a lot of stuff they call solving the rebel (purple). It looks like they are making fun of my writings. Double punishment. Newspapers are coming out with people whose names are, according to me, are red. Full of them. Double the lie. Neither world & that means neither hot nor cold - God says He will vomit the Luke warm out. That from Apocalypse Chapter 3 verses 15 to 19. St John chap 14 verses 12 says Amen & say to you, he that believeth in me, the works that I do, he also shall do; and greater than these shall he do. Olive garden Station restaurants. Dragon garden, Chinese garden + so forth restaurants. Chapter 19 verses 41 = "Now there was in the place where He was crucified, a garden; and in the garden a new sepulchre, wherein no man yet had been laid." St Paul says at the end it will be made known, the sins of men and the ones that write them too. An abomination in the Old Testament was a false god. (The abomination unto Decalation Matt 24 vs. 15. And it was the third hour, and they crucified Him. And Mark ch 15 vs 33 and when the 6th they that were crucified with Him reviled Him. And Mark ch 15 vs 33 and when the 6th hour was come, there was darkness over the whole earth until the ninth hour. And a little further, it says He died then (ninth hour). St Luke's account could be 6 hours on the cross. CALVARY is where they crucified Him. LU the R. Irish spring is green-go. Apoc. ch 18 vs 6. Render to her as she hath rendered to you. They say, the publishers, TAN Books and Publishers, inc. ROCK FORD, Illinois 61105. They say they changed or Bishop Challoner changed some some things and they give this as an example. They changed this: Ephesians 6:12 read "For our wrestling is not against flesh and blood; but against Princes and Potestats (Potestats), against the rectors of the world of this darkness, against the spirituals of wickedness in the celestials." Their version is "For our wrestling is not against flesh and blood; but against principalities and powers, against the rulers of the world of this darkness, against the spirit of wickedness in high places." The preface also says Challoner traveled around offering Mass secretly for small groups during the religious persecutions in England.
